

INVITATION TO AN INTERNATIONAL CONFERENCE

Dear colleague,

The "Flight Safety Foundation- Mediterranean", is pleased to invite you to its Fifth International Conference on the topic "**Aviation Safety Performance : can it be measured ?**", which will take place on **15-16 May 2014, at the HILTON Hotel in Nicosia ,Cyprus.**

The Conference will be opened by **the Minister of Communications and Works of Cyprus and will be addressed by the Secretary General of ICAO, the President of ECAC , the Director General of EUROCONTROL and the Director of Aviation and International Transport Affairs of the European Commission.**

It aims to bring together representatives from the aviation community, in order to discuss and exchange views on key aspects of safety performance and the challenges of measuring it. Presentations by experts will describe the respective views of International Organisations, Regulators, Air Navigation Service Providers, Airports, Airlines and other professional bodies.

As in previous years, it is expected that the Conference will be attended by more than 200 aviation professionals, thus providing an excellent platform for networking.

In order to see the Programme and register for the Conference, please visit our website www.flightsafety-cy.com .The small fee of **200 euros** includes participation, all documents, coffee breaks, two lunches and the gala dinner .

Through our website, you may also make your reservation to the **HILTON Hotel, Nicosia, at the special rate of 115 euros per night**, breakfast included.

Should you require any further information , do not hesitate to contact the Conference Coordinator **Christos Petrou by email (cpetrou@flightsafety-cy.com) or by phone (+357-99688945).**

We look forward to meeting you in Cyprus,
